**Best for Women**

**About Soroptimists**

Chartered in 1947, Soroptimist International of Corona is a non-profit 501(c)(3) \* business women's service organization, which provides support to the local community, by improving the lives of women and children in our local communities and throughout the world. We are known for our youth scholarships, support of Alternatives to Domestic Violence, the Teen Parent Program at Corona Vista High School and annual grants for the Women's Opportunity Award.

Our signature service programs are: "Dreams and Decisions," a workshop for intermediate school girls with emphasis on building self-esteem, mentoring, and education to help prevent teen pregnancy; and "Inspire Lifeskills Training," a residential and educational support program for girls who have left the foster care system. Our Women of Distinction Awards Luncheon recognizes local women who excel in diverse areas of community service.
